RULES AND REGULATIONS FOR REGULAR VENDORS ON OPPOSITE SIDE

RULES AND REGULATIONS FOR REGULAR VENDORS

1. We accept a wide range of vendors: arts & crafts, collectables, commercial products, and services. However, this show is sponsored by a school organization, and as such there are certain types of items **THAT WE DO NOT ALLOW AT THIS SHOW** that vendors may normally sell at other shows without question. We require photos (real or email attachments) with your application that show **ALL THE TYPES OF ITEMS YOU SELL**, and before you open your booth for business we will check to make sure that all your items are acceptable for our show. **NO EXCEPTIONS**. All we want is a fair and equitable show for everyone – so that we are all on the same page with what can/can't be sold.
2. **These are items that Vendors CANNOT SELL:** (Remember, we sponsor a school organization!)
 - No apparel that is alcohol or drug-related, gun/violence-related, or sexually suggestive
 - No weapons of ANY KIND: guns, knives (cutlery, too), swords, stun guns, etc.
 - No tobacco or alcohol products of any kind, or anything related to those products
 - Toys: we will allow toy guns as long as they **DON'T PROJECT ANYTHING**, we will allow toy swords as long as they aren't "pointy," and light-ups are OK
3. ***THERE IS NO EXCLUSIVITY OF PRODUCTS*** at our show. I realize some commercial products have exclusivity clauses (for example, only one vendor for "IT WORKS" products at one event), but other than that there is going to be crossover of product between vendors. This goes along with the spirit of free enterprise and competition that our country was founded on. If you are concerned about too many vendors who sell similar products that you do, then please ask ahead of time before you book.
4. You will be allowed to drive your vehicle into the Park to unload your items, but once it is unloaded you must remove it. Vendor parking is across the street from the Park.
5. You are responsible for all display materials – we do not furnish any tents, chairs, tables, etc. **Absolutely NO AIR CONDITIONERS** in your booth – the electric can't handle it.
6. **You can use all the vendor space you have paid for – but that's it. Tables, displays, signs, or sitting areas are NOT allowed outside your booth space – not in the aisles, on the sides, in the back, etc. If you need more space to display all your items, then you need to pay for an additional space or half-space. NO EXCEPTIONS.**
7. **No RV's** allowed in the Park. If you can find a space nearby to park it, fine – but you cannot be hooked up to the water or electric during advertised show hours.
8. **Refund Policy:** There are **NO REFUNDS** due to inclement weather or Park grounds issues due to the weather. There are **NO REFUNDS** for no call/no shows. There are **NO REFUNDS** for vendors who are asked to leave for not abiding by the above rules. In the event of a family or medical emergency, **full or partial refunds MAY be issued when notice is received – but not a day or two before the show. Communicating with us in a timely matter regarding a cancellation is key to whether or not a partial or full refund can be issued.**
9. **No one** with the Eufaula Band Boosters, the Eufaula Area Chamber of Commerce, or the City of Eufaula bears any responsibility for any accident or stolen/lost property.
10. It is agreed by all vendors to help keep the Park clean and maintained by keeping your booth area clean and trash picked up. It is also agreed that all vendors will be on good behavior towards all other vendors and to their customers. We want this to be a pleasant experience for everyone!
11. There are motels and campsites nearby – you can call Pam at the Chamber of Commerce at 918-689-2791 or go on their website, www.eufaulachamberofcommerce.com for more information.
